6th Grade Physical Exams and Immunization Requirements

The state of Illinois requires that all sixth graders must have a physical exam including immunizations on file in the nurse's office for the 6th grade school year. Please submit the physical exam as soon as possible. Failure to comply with this requirement will result in your child's exclusion from school beginning on **October 15, 2016**. This exclusion is a state law that must be followed. There are no exceptions to this rule. A dental exam is also required for all sixth graders.
