Robert Natale

Principal

Jamie Kahn

Assistant Principal

To the Parents/Guardians of Middle South Students:

In order to better facilitate communication with our Middle School South families regarding upcoming school calendar events, bus delays/breakdowns, athletic event changes or cancelations, etc., we have set up a Remind account for parents and guardians to stay connected. Remind is an application that is free to download and will help us keep you up to date on any last minute information or upcoming events via text or email.

It is easy to sign up and only takes a few moments. You can easily **subscribe to texts** in one of four ways:

1. Type remind.com/join/hmsparent into your internet browser
2. Send a text message to 81010, then in the message field type [@hmsparent](https://www.remind.com/help/faq) and click send. You will receive a confirmation message back.
3. You can download the Remind app on your device and create an account. The class code is [@hmsparent](https://www.remind.com/help/faq)
4. If you already use the Remind app, enter the class code [@hmsparent](https://www.remind.com/help/faq)

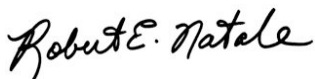

Please note that this is voluntary and you may unsubscribe at any time. Texting fees based on your cell phone plans may apply.

If you would like to **receive message via email** instead of text, send an email to hmsparent@mail.remind.com. You may need to adjust your email settings so the updates do not go into your spam folder.

As always, check out our website at mss.hawthorn73.org for information, calendar events and to subscribe to our weekly newsletter. The Remind text/email service is in addition to what is online and sent home for parents and guardians.

Please note, our purpose for the Remind app is to send you information. You will not be able to respond to us through the system. As always, if you have any questions or feedback, please contact the Middle School South office at 847-990-4100.

Sincerely,

Robert Natale
Principal

Inspire all students to embrace learning in an ever-changing world.
