SUPPLEMENTAL INSURANCE DEADLINE EXTENDED

October 6, 2017

Dear Parents and Guardians,

The deadline to purchase the supplemental insurance for your student's Chromebook has been extended until Sunday, October 15, 2017. While purchasing this insurance is completely optional, we do feel it is an extremely beneficial option to consider.

Per section 2.1.n of the Acceptable Use Policy, "The Parents/Guardians of a Student who damages, loses, or misplaces a Chromebook will be responsible for its cost." To provide an example of the benefits of this insurance, we currently have a high volume of students who have cracking their Chromebook screen. The cost of repairing the screen to a parent is approximately \$149, while the cost of the supplemental insurance is \$22.44.

Purchasing the insurance will cover the following damages on either the Chromebook or charging cord up to \$260:

- Accidental Damage (Drops & Spills)
- Cracked Screen
- Liquid Submersion
- Fire, Flood, & Natural Disaster
- Power Surge by Lightning
- Theft & Vandalism (requires police report)

If you would like to learn more about the supplemental insurance plan and/or sign up, please visit:

Should you have any questions, please do not hesitate to reach out to your building's administration.

Sincerely,

Robert Natale, Robert Collins, Jamie Kahn, & Charity Trowbridge

Inspire all students to embrace learning in an ever-changing world.
