Notification of Westwood Bus Stops

The Village of Vernon Hills will be doing some road improvements soon in your area, which will make bus travel difficult to maneuver on the side streets. Hawthorn School District and Lakeside Transportation have met with the Public Works Department regarding bus traffic in the Westwood neighborhood.

Beginning the week of April 24, 2017, all bus stops will be on Creekside Drive. No student will need to cross Creekside. A map is attached for your reference.

Although it is anticipated that the duration of this will be about a week, we will send out another notification when bus stops will return to their original location. The Public Works Department will also make weekly updates on their section of the website at www.veronhills.org
